RESTRICTIVE COVENANT

This Restrictive Covenant is made this 13 day of January, 2007, pursuant to RCW 43.21A.440 and RCW 70.105D.030(1)(f), (g) and (j), by JOSEPH L TRUCCO & JEAN E, TTEE and its successors and assigns ("Grantor"), and the State of Washington, Department of Ecology, and its successors and assigns ("Grantee" but hereafter "Ecology") for the benefit of the United States Environmental Protection Agency, its successors and assigns, ("EPA"). The restrictions imposed by this covenant are consistent with those required by WAC 340-440(8) and (9) under the Model Toxics Control Act ("MTCA").

A portion of the property referenced above is subject to this Restrictive Covenant because Remedial Action has been undertaken on the property pursuant to the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. § 9601, et. seq., under a Consent Decree entered on May 9, 2003, titled *United States v. Atlantic Richfield Company, et al.*, in the United States District Court for the Western District of

39 -

Washington, Civil Action No. C03-5117 RJB, ("Consent Decree"). The objective of the Remedial Action undertaken on the property is to protect human health and the environment.

The Consent Decree is part of an integrated settlement that includes two other consent decrees. One is between EPA and Puget Sound Energy, Advance Ross Sub Company and PacifiCorp ("Utilities"), and was entered by the federal District Court on May 9, 2003. The other consent decree is between EPA and the State of Washington, Department of Natural Resources, which was entered by the federal District Court on December 17, 2003.

The Property is the portion of Tax Parcel 8950002060 that is located at 1179 East Dock Street, Tacoma, in Pierce County, Washington. This Restrictive Covenant is required because Remedial Action capped and/or left residual contamination in place. The purpose of this Restrictive Covenant is to reduce potential exposure of marine organisms to contaminated sediments confined by capping, and to reduce potential exposure of marine organisms to contaminated sediments left in place in the Thea Foss and Wheeler Osgood Waterways.

Grantor makes the following declarations as to limitations, restrictions, and uses on the Property. Furthermore, it is the intent of Grantor that such declarations shall constitute covenants that run with the land, as provided by law, and be binding on all parties and all persons claiming under them, including all current and future owners of any portion of or interest in the property (hereafter "Owner").

Section 2. Owner shall not conduct, or allow to be conducted any activity on the Property that may result in the release or exposure to the environment of the hazardous substances contained by the Remedial Action, or that may create a new exposure pathway, unless the proponent of the activity obtains the prior written authorization from EPA and secures all necessary local, state, and federal permits and approvals for the activity in question. Activities prohibited unless otherwise approved include, but are not limited to:

- 2.1 Any activity that alters, modifies, or removes the Remedial Action undertaken on the Property.
- 2.2 Piling removal and installation.
- 2.3 Dredging and excavation.
- 2.4 Harvest of shellfish embedded in aquatic lands.

Section 4. Owner shall give thirty (30) days advance written notice to EPA and Ecology of Owner's intent to convey any interest in the Property. No conveyance of title, easement, lease or other interest in the Property shall be consummated by Owner without adequate and complete provision for the continued compliance with all required institutional controls, including this Restrictive Covenant.

Section 5. Owner shall notify EPA and Ecology and obtain approval from EPA before any use of the Property that is inconsistent with the terms of the Restrictive Covenant, or the Consent Decree.

Section 6. Owner shall allow authorized representatives of EPA, Ecology, the Utilities, and the City of Tacoma the right to enter the Property at reasonable times for the purpose of evaluating compliance with the Consent Decree and other required plans, including the right to undertake Operation and Maintenance activities required under the Consent Decree, which includes gathering samples on the Property, and to confirm compliance with this Restrictive Covenant.

Section 7. Owner shall restrict leases of the Property to uses and activities consistent with this Restrictive Covenant and shall notify all lessees of the restrictions on the use of the Property. Owner shall include a copy of this Restrictive Covenant in any instrument conveying any interest in any portion of the Property, including conveyance of title, a lease, a license, an easement or other use authorizations.

Section 10. Owner reserves the right to record an instrument that provides that this Restrictive Covenant shall no longer limit the use of the Property or be of any further force or effect. However, such an instrument may be recorded only if EPA concurs.
