

# Central Waterfront Site Public Meeting September 18, 2019; 6 - 8 p.m.

The Department of Ecology will hold a public meeting about a cleanup action plan for the Central Waterfront site on the Bellingham waterfront.

## Central Waterfront Site Public Meeting

On July 8, 2019, Ecology started a 30-day public comment period on a cleanup action plan and associated documents for the Central Waterfront Site on the Bellingham waterfront.

We have received several requests for a public meeting. As a result, we have scheduled a meeting and a 30-day comment period from **September 16 - October 15, 2019**.

**Please join us to learn more about the cleanup.**

**Public Meeting  
September 18, 2019  
6-8 p.m.**

Technology Development Center  
1000 F Street  
Bellingham, WA 98225

Toxics Cleanup Program  
913 Squaticum Way, Unit 101
