Dear Ms. Vick:

We represent Edmund J. Wood as chapter 7 bankruptcy trustee (the "Trustee") for all matters respecting the bankruptcy proceeding of TOC Holdings Co., fka Time Oil Co., (the "Debtor") that was filed in the United States Bankruptcy Court – Western District of Washington under case number 17-11872 on April 24, 2017.

We are in receipt of a letter you sent to Mark Chandler on June 1, 2017 regarding the above referenced Voluntary Cleanup Program ("VCP") project. Please be advised that all matters regarding the Debtor's liability for continuing cleanup is stayed pursuant to 11 U.S.C. § 362(a). Because of the bankruptcy stay and the financial condition of the estate, the Trustee is not in a position to continue with the Debtor's pre-petition participation in the VCP for the above referenced site.

Should you need any further information, please feel free to contact me at the above telephone number or email.

Yours very truly,

Deborah A. Crabbe
