

Addendum 1

On August 13, 2012, Ecology received a signed copy of Agreed Order No. DE 9240 from BNSF Railway Company (BNSF). The 30-day signatory period for the Agreed Order officially ended on July 5, 2012. The late-stage receipt of the BNSF signature page prevented modification of the associated Agreed Order documentation before start-up of the public review period. While BNSF is not listed on the current Agreed Order documentation, this addendum confirms Ecology's recognition of BNSF as a formal signatory to the Agreed Order (i.e., AO PLP). The Agreed Order documents will be modified after the public review period to reflect BNSF Railway Company's status as an AO PLP.
