Dear Jacob Sheppard:

The Department of Ecology (Ecology) appreciates your decision to clean up the Blackstock Lumber facility (Site) independently. However, our records indicate that you have not conducted any remedial actions during the past year at the Site. This letter requests information on the status of your cleanup and your continued interest in the Voluntary Cleanup Program (VCP).

Please submit the following information to Ecology within 30 days of the date of this letter:

1. Cleanup status report.
