

## DETERMINATION OF NONSIGNIFICANCE

**Description of proposal:** The Interim Action involves removal and offsite disposal of solid waste (e.g. refuse) along planned roadway alignments, and the management of landfill gas and stormwater in this area. The Interim Action also includes mitigation measures to prevent potential exacerbation of contamination in groundwater, and to prevent unintentional or unauthorized release or disposal of dangerous or solid waste.

**Proponents:** Washington State Department of Ecology

**Location of proposal, including street address if any:** 805 North 7<sup>th</sup> Street, Yakima

**Lead agency:** Washington State Department of Ecology

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- There is no comment period for this DNS.
- This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by January 29, 2020.
