Bellevue, WA 98008

*Subject:* **Progress Report – December 2019**  
**Newman’s Chevron**  
2021 6<sup>th</sup> Street  
Bremerton, Washington

Dear Mr. Myers:

On behalf of Chevron Environmental Management Company (CEMC), Nordic Properties, Inc., and Victory Business Park, LLC (collectively, the PLPs), Leidos, Inc. (Leidos) is providing this progress report to document activities performed to satisfy the requirements of Agreed Order No. DE 14246 for the above-referenced site (the Site) located at 2021 6<sup>th</sup> Street in Bremerton, Washington. This report summarizes activities completed from December 1 through 31, 2019.

**ACTIONS TAKEN TO COMPLY WITH THE AGREED ORDER**

- Leidos continued work to coordinate subcontractors and a City of Bremerton right-of-way permit for implementation of the first round of field activities to be performed under Addendum 2.
- On December 11, Leidos received approval from the City of Bremerton for the right-of-way permit to complete soil borings in the Naval Avenue right-of-way and in the alley to the south of the Site.
- On December 12, a site access agreement was fully executed between CEMC and the owner of the property at 1932 5<sup>th</sup> Street.
- CEMC continued work to finalize terms of a site access agreement for the property at 1936 5<sup>th</sup> Street.

---

### **SUMMARY OF SAMPLING/TESTING AND OTHER DATA REPORTS**

- No sampling, testing, or other data reports were received during this reporting period.

### **DEVIATIONS FROM THE APPROVED WORK PLAN**

- None during this reporting period.

### **SUMMARY OF CONTACTS WITH PUBLIC STAKEHOLDERS**

- Leidos did not engage with representatives of the local community, public interest groups, press, or federal, state, or tribal governments during this reporting period.

### **PROBLEMS OR ANTICIPATED PROBLEMS IN MEETING THE SCHEDULE OR OBJECTIVES OF AGREED ORDER OR RIWP**

- Leidos anticipates that RI field activities may not be completed by the current deadline, February 26, 2020. Proposed RI field activities that may not be completed by the deadline include collection of soil and soil vapor samples on the property at 1936 5<sup>th</sup> Street, and evaluation of data from the Addendum 2 RI field activities, which is necessary to determine if the RI field activities are complete. Therefore, Leidos expects that an extension of the schedule for completion of RI field activities will be necessary.

### **CHANGES IN KEY PERSONNEL**

- None during the current reporting period.

### **ACTIVITIES ANTICIPATED FOR THE NEXT REPORTING PERIOD**

- Leidos will continue planning and coordination to implement the RI field activities to be performed under Addendum 2.
- Leidos anticipates to begin implementation of the Addendum 2 RI field activities on or about January 27, 2020.
- CEMC will continue work to finalize terms of a site access agreement for the property at 1936 5<sup>th</sup> Street.

If you have any questions or comments regarding the information presented in this report, please contact me at (425) 482-3323 or via email at [russell.s.shropshire@leidos.com](mailto:russell.s.shropshire@leidos.com).

Sincerely,

**Leidos, Inc.**

Russell S. Shropshire, PE  
Principal Engineer
