Re: Agri-Tech Yakima Steel Fabricators Finalized Feasibility Study Report and Next Steps

- **Site Name:** Agri-Tech Yakima Steel Fabricators
- **Site Address:** 6 & 10 ½ E. Washington Avenue, Yakima
- **Facility/Site ID No.:** 479
- **Cleanup Site ID No.:** 3639

Dear Jeff Kasper:

The Public Comment Period for the Feasibility Study (FS) ended on December 31, 2019. There are no comments to address, as Ecology did not receive comments during the comment period. However, the FS must have the appropriate professional license stamp(s) prior to finalization, please provide a final copy with these stamps by February 6, 2020.

Agreed Order No. DE 6091 (AO) remains open as the governing document for work to be performed. Section VII, subsection 19 of AO No. DE 6091 states that Ecology may request that Yakima Steel Fabricators, Inc. (YSF) provide a draft Cleanup Action Plan (dCAP). Ecology request that YSF provide a draft CAP by April 6, 2020.

Should you have any questions, please contact me at (509) 454-7833 or at Kyle.Parker@ecy.wa.gov.

Sincerely,

Kyle Parker
