Dear Richard Parks:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW2953. The project involved the cleanup of the Maaco Auto Painting Bodywork 9th Ave facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Ecology is terminating the Agreement because we have decided to supervise further action at the Site under an order or decree.

Next Steps

Based on this decision, Ecology will take the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.
