Dear Douglas W. Gallucci:

We have received your request for an extension to Agreed Order (AO) No. DE11081 dated May 6, 2020. According to the AO, an Agency Review Draft Remedial Investigation/Feasibility Study (RI/FS) should have been provided to Ecology within four years of the effective date of the AO which would be May 18, 2020. Per the circumstances outlined in your letter, you anticipate submitting a completed Agency Review Draft RI/FS report by December 31, 2021. Ecology has reviewed your request and approves of the extension.

If you have questions regarding this approval letter, please contact me at (360) 407-7263 or tom.middleton@ecy.wa.gov

Sincerely,
