

Environmental and Industrial Contractors

P.O. Box 1514
Tacoma, WA 98401-1514

October 31, 2000

To Whom It May Concern:

In 1991 CEcon removed a gasoline Underground Storage Tank (UST) for NW Wire Rope located at 2301 Lincoln Avenue, Tacoma, WA.

Contaminated soil was encountered, tested and disposed of in accordance with the Washington State Department of Ecology regulations. Disposal records dating back that far are not available.

Sincerely,
CEcon corp

A handwritten signature in dark ink, appearing to read 'W.D. Carl', is written over the printed name.
