**Re: Notification of Project Coordinator Change
Chelan Chevron Site
Agreed Order No. DE 10629
232 East Woodin Avenue
Chelan, Washington**

Dear Mr. Mefford:

As previously discussed during our telephone conference meeting on August 6, 2020, Resource Environmental, LLC (RELLC) has been contracted by Chevron Environmental Management Company (Chevron) to manage and direct future work required under Agreed Order No. 10629 for the Chelan Chevron site. On behalf of CEMC, RELLC is providing this notification of a change in the Project Coordinator role for the project.

The role of Project Coordinator for Chevron has been transitioned from Mr. Tim Bishop of Chevron to myself. My contact information is as follows:

Mr. Greg A. Vogelpohl, P.E.
Vice President & General Manager
Resource Environmental, LLC
925 Paso Robles, CA 93446
(805) 286-4076
vogelpohl@rellc.net

In association with this project transition, RELLC has contracted Leidos, Inc. (Leidos) to resume their role as the primary consultant for the project. Mr. Russ Shropshire will be the Project Manager for Leidos. Mr. Shropshire can be reached by phone at (425) 482-3323 or by email at russell.s.shropshire@leidos.com.

I look forward to working with you on this project. Please contact me if you have any questions regarding this transition.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Vogelpohl', written in a cursive style.

Greg Vogelpohl, P.E.
Vice President & General Manager
