Subject: Chevron Queen Anne 211577 - Status Update_10072020

Hi Jing,

On behalf of Chevron, the following is a progress update for Chevron site 211577 (“Queen Anne”) located at 631 Queen Anne Avenue North in Seattle, Washington. This update satisfies the requirements of Agreed Order No. DE 16537 associated with the site which indicates that quarterly progress reports be submitted to the Washington State Department of Ecology by the 10th of the month following the reporting period. This update summarizes activities completed from July 1, 2020 through September 30, 2020.

Description of Actions Taken to Comply with Agreed Order

- Arcadis received finalized right-of-way permit from SDOT
- Arcadis obtained access agreements to sample wells on off-site properties
- Arcadis conducted the Off-Property Baseline Survey and Groundwater Monitoring event August 10-14, as described in the work plan

Summary of Deviations from Approved Work Plans

- No deviations during this reporting period

Description of Work Planned for this Reporting Period

- Arcadis will obtain/confirm access agreements in order to install wells on off-site properties as needed to address data gaps
- Arcadis will request data and/or access to sample additional wells already installed on off-site properties
- Arcadis will complete the RIWP to address data gaps, and include validated data from the Off-Property Baseline Survey and Groundwater Monitoring Event
- Arcadis will prepare and submit quarterly updates to Ecology via email

Please let me know if you have any questions.

Thank you,
