Cleanup Action Plan ready for review

The Department of Ecology invites you to review a draft cleanup action plan and associated documents for the Harris Avenue Shipyard Site on the Bellingham waterfront in the Fairhaven neighborhood. The plan calls for removing and capping contaminated soil and sediment, monitoring conditions, and restricting activities that could disturb capped areas.

Documents are available for review and comment

December 7, 2020 – January 20, 2021

- **Cleanup Action Plan:** Ecology's plan that describes the cleanup work to address contamination at the Site.
- **Agreed Order:** Legal agreement between Ecology and the Port of Bellingham requiring design of the work described in the cleanup action plan.
- **State Environmental Policy Act-Determination of Non-Significance:** Ecology determination that the cleanup work is not likely to harm the environment.
