Dear Mr. Turney:

Re: Puglia Engineering Site (AKA Hertz Equipment Rental)

On September 16, 1996, I responded to your request for a review of independent remedial action reports that address the Puglia Engineering Site property. In that letter, I used the site address as indicated in one of the remedial action reports (2217 E. 11th St., Tacoma, WA, 98421). On February 3, 1997, I was notified by Marcia Newlands of Heller, Ehrman, White and McAuliffe that the address for the Puglia Engineering Site is in fact 2216 East 11th Street, Tacoma, WA, 98421. Therefore, this letter serves as a correction to the September 16, 1996 letter, which should have referred to the Puglia Engineering Site as 2216 E. 11th St., Tacoma, WA, 98421. If you have any questions about any of the information presented in this letter, please contact me at (360) 407-6250.

Sincerely,

Dave Smith
