**Subject:** Chevron Queen Anne 211577 - Status Update\_01112021

Hi Jing,

On behalf of Chevron, the following is a progress update for Chevron site 211577 (“Queen Anne”) located at 631 Queen Anne Avenue North in Seattle, Washington. This update satisfies the requirements of Agreed Order No. DE 16537 associated with the site which indicates that quarterly progress reports be submitted to the Washington State Department of Ecology by the 10<sup>th</sup> of the month following the reporting period. This update summarizes activities completed from October 1, 2020 through December 31, 2020.

### **Description of Actions Taken to Comply with Agreed Order**

- Arcadis submitted a Draft Remedial Investigation Work Plan on December 10, 2020, including results from the Off-Property Baseline Survey and Groundwater Monitoring conducted in August 2020
- Arcadis coordinated with PES Environmental to obtain information on wells located at 101 W Roy and 118 W Mercer

### **Summary of Deviations from Approved Work Plans**

- No deviations during this reporting period

### **Description of Work Planned for this Reporting Period**

- Arcadis will obtain/confirm access agreements in order to install wells on off-site properties as needed to address data gaps
- Arcadis will update the Draft Remedial Investigation Work Plan to incorporate any comments from Ecology
- Arcadis will prepare and submit quarterly updates to Ecology via email

Please let me know if you have any questions.

Thank you,
