DETERMINATION OF NON-SIGNIFICANCE

Description of proposal: Interim actions are proposed at two Wenatchee School District sites including Sunnyslope Elementary School and Orchard Middle schools. These interim actions will be conducted during the summer of 2008.

The interim remedial action cleanup plan includes capping of contaminated soil and managing the sites to minimize exposures to lead and arsenic until such actions are completed. To the extent possible, the clean up will conform to the future Wenatchee School District facility plans.

Proponents: Washington State Department of Ecology, Central Regional Office

Location of proposal, including street address if any: Sunnyslope Elementary School, 3109 School Street, Wenatchee, Washington; and Orchard Middle School, 1024 Orchard Avenue, Wenatchee

Lead agency: Washington State Department of Ecology

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed Environmental Checklist and other information on file with the lead agency. This information is available to the public on request.

This Determination of Non-Significance is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for thirty (30) days from the date of issuance. Comments must be submitted by May 30, 2008.
