Dear Mr. Chandler:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW1705. The project involved the cleanup of the Time Oil Co. Seattle Bulk Fuel facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because you informed us in person on April 15, 2010 that you wanted to withdraw from the VCP.

Next Steps

Based on this decision, Ecology may take one or more of the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.
2. Conduct a site hazard assessment (SHA) and rank the Site for further action.
3. Identify those persons we find potentially liable for cleanup of the Site.
4. Initiate discussions for an agreed order or consent decree that will govern further action at the Site.
