The State of Washington, through the Department of Ecology; the United States of America on behalf of the Department of Commerce, through the National Oceanic and Atmospheric Association, and the United States Department of Interior; the Lower Elwha Klallam Tribe; the Port Gamble S’Klallam Tribe; and the Jamestown S’Klallam Tribe (collectively, “Plaintiffs” or the “Trustees”, and individually, a “Plaintiff” or “Trustee”), have filed a complaint (the “Complaint”) in this case against defendants Nippon Paper Industries USA Co., Ltd., Merrill & Ring Inc., Georgia-Pacific LLC, the Port of Port Angeles, and Owens Corning, among other parties, pursuant to Section 107 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (“CERCLA”), 42 U.S.C. § 9607; Section 311(f)(4) of the Clean Water Act (“CWA”), 33 U.S.C. § 1321(f)(4); and Section 1002(b)(2)(A) of the Oil Pollution Act of 1990 (“OPA”), 33 U.S.C. § 2702(b)(2)(A); the Model Toxics Control Act (“MTCA”), Wash. Rev. Code § 70A.305.040(2); and Wash. Rev. Code § 90.48.142 for Covered Natural Resource Damages (as defined below) at the Western Port Angeles Harbor Site (“Site”). This Consent Decree (the “Decree”) addresses the claims asserted in the Complaint against Nippon Paper Industries USA Co., Ltd., Merrill & Ring Inc., Georgia-Pacific LLC, the Port of Port Angeles, and Owens Corning (“Defendants”).

II. RECITALS

A. The Trustees, under the authority of Section 107(f) of CERCLA, 42 U.S.C. § 9607(f), Section 1006 of OPA, 33 U.S.C. § 2706, Section 311(f)(5) of the CWA, 33 U.S.C. §1321(f)(5), 40 C.F.R. Part 300, subpart G, MTCA, Wash. Rev. Code § 70A.305.040(2), and Wash. Rev. Code § 90.48.142, serve as trustees for natural resources for the assessment and

1 recovery of damages for injury to, destruction of, or loss of natural resources under their
2 trusteeship.

3
4 B. Investigations conducted by both Defendants and the Trustees found that
5 hazardous substances, such as elevated concentrations of metals, semivolatile organic
6 compounds, dioxin/furans, phthalates, and PCBs have been released at the Site. Hazardous
7 substances in sediment throughout the Harbor above State criteria have been cited in multiple
8 investigations by the Department of Ecology from 2008 to 2012 (Port Angeles Harbor
9 Preassessment Screen, 2013).

10
11 C. The Trustees have completed a natural resource damage assessment for the Site
12 for the purpose of settlement with Defendants (Proposed Estimate of Natural Resource Damages
13 in Port Angeles Harbor Port Angeles, Washington, 2014). Based on these findings, the Trustees
14 and Defendants agree that there is sufficient information to effectuate the purposes of this
15 Consent Decree with respect to Defendants.
16
17

18 D. Plaintiffs have filed the Complaint pursuant to Section 107 of CERCLA, 42
19 U.S.C. § 9607, Section 311(f)(4) of the CWA, 33 U.S.C. § 1321(f)(4); and Section
20 1002(b)(2)(A) of the OPA, 33 U.S.C. § 2702(b)(2)(A); MTCA, Wash. Rev. Code § 70A.305.040
21 (2); and Wash. Rev. Code § 90.48.142, seeking recovery from Defendants of damages for injury
22 to, destruction of, and loss of natural resources resulting from releases of hazardous substances at
23 the Site, including the costs of assessing the damages.
24
25

26 E. Plaintiffs allege that hazardous substances have been or are being released from
27 facilities and that those hazardous substances have caused injury to, destruction of, and loss of
28 natural resources at the Site under Plaintiffs' trusteeship, including fish, shellfish, invertebrates,

1 birds, marine sediments, and resources of cultural significance. Plaintiffs further allege that each
2 of them and the public have suffered the loss of natural resource services (including ecological
3 services as well as direct and passive human use losses) as a consequence of those injuries.

4 Tribal Trustees also allege harm to practice of tribal culture and to exercise of treaty rights as a
5 result of harm to Port Angeles Harbor's natural resources.
6

7
8 F. Plaintiffs allege that each Defendant is liable under one or more of the bases
9 enumerated in 42 U.S.C. § 9607(a), Section 311(f)(4) of the CWA, 33 U.S.C. § 1321(f)(4); and
10 Section 1002(b)(2)(A) of the OPA, 33 U.S.C. § 2702(b)(2)(A); MTCA, Wash. Rev. Code
11 § 70A.305.040(1), and Wash. Rev. Code § 90.48.142.
12

13 G. The Trustees have developed and analyzed information sufficient to support a
14 settlement that is fair, reasonable, and in the public interest.
15

16 H. In settlement of this action, Defendants have agreed, subject to the terms of this
17 Consent Decree, to pay \$8,500,000 to the Trustees in damages.
18

19 I. Defendants do not admit any liability to Plaintiffs arising out of the transactions
20 or occurrences alleged in the Complaint and the matters alleged in this Consent Decree.
21

22 J. Plaintiffs and Defendants agree, and this Court by entering this Decree finds, that
23 this Decree has been negotiated by the Parties in good faith; that settlement of this matter will
24 avoid prolonged and complicated litigation between the Parties; and that this Decree is fair,
25 reasonable, and in the public interest.
26

22 b. liability for costs of response incurred or to be incurred by Plaintiffs under any
23 federal or State statute;

24
25 c. liability for damages or other costs incurred or to be incurred by the Plaintiffs that
26 are not within the definition of Covered Natural Resource Damages;

27 d. liability for damages to natural resources (including assessment costs) as defined
28 in 42 U.S.C. §§ 9601; Chapter 70A.305 RCW; Section 311(f)(4) of the CWA, 33 U.S.C. §

1 1321(f)(4); and Section 1002(b)(2)(A) of the OPA, 33 U.S.C. § 2702(b)(2)(A); Wash. Rev. Code

3 substance or oil releases, resulting from new releases of hazardous substances at or from the Site
4 after the effective date of this Consent Decree;

5
6 e. liability for damages to natural resources (including assessment costs) as defined
7 in 42 U.S.C. §§ 9601 and Chapter 70A.305 RCW, or any other applicable federal or state law
8 concerning response to hazardous substance or oil releases, based upon the Defendants'
9 transportation, treatment, storage, or disposal, or the arrangement for the transportation,
10 treatment, storage, or disposal of hazardous substances at or in connection with the Site, after the
11 effective date of this Consent Decree;

12
13 f. liability for injunctive relief or administrative order enforcement under any
14 federal or State statute;

16 g. liability for damages for injury to, destruction of, or loss of natural resources
17 resulting from releases or threatened releases of hazardous substances outside of the Site and
18 Rayonier Mill Study Area below the mean higher high water line;

19 h. additional claims in this action or in a new action for Covered Natural Resource
20 Damages if conditions, factors, or information at the Site or the Rayonier Mill Study Area
21 (identified in Appendix B), not known to the Trustees as of the date of lodging, are discovered
22 that, together with any other relevant information, indicate that there is a threat to the
23 environment, or injury to, destruction of, or loss of natural resources of a type unknown or of a
24 magnitude significantly greater than was known, at the time of the date of lodging of this
25 Consent Decree. Information known to the Trustees shall consist of any information in the files
26 of, or otherwise in the possession of, any one of the individual Trustees, or their contractors,
27
28

1 subcontractors, or consultants who worked on the Trustees' natural resource damage assessment
2 in Port Angeles Harbor;

3 i. liability for civil penalties under the Clean Water Act or any other applicable
4 federal or state law if the release or discharge violated a regulatory requirement under that
5 statute; and
6

7 j. criminal liability to the United States or State.
8

9 **X. COVENANT NOT TO SUE BY DEFENDANTS**

10 15. Defendants covenant not to sue and agree not to assert any claims or causes of
11 action against the Plaintiffs, or their contractors or employees, relating to Covered Natural
12 Resource Damages or this Consent Decree, including but not limited to:
13

14 a. any direct or indirect claim for reimbursement of any payment for Covered
15 Natural Resource Damages from the Hazardous Substance Superfund based on Sections
16 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or
17 9613, or any other provision of law; and
18

19 b. any claim against the United States, the State, or the Tribal Trustees pursuant to
20 Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Covered Natural
21 Resource Damages.
22

23 16. Nothing in this Consent Decree shall be deemed to constitute approval or
24 preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or
25 40 C.F.R. 300.700(d).
26

27 17. Settling Defendants agree not to file a brief or otherwise oppose any other
28

1 settlement agreements that resolve liability for natural resource damages at the Site between the
2 Trustees and persons who are not a party to this Consent Decree.

3
4 **XI. EFFECT OF SETTLEMENT; CONTRIBUTION PROTECTION**

5
6 18. Nothing in this Consent Decree shall be construed to create any rights in, or grant
7 any cause of action to, any person not a Party to this Consent Decree. Each of the Parties
8 expressly reserves any and all rights (including, but not limited to, any right to contribution
9 under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of
10 action they each may have with respect to any matter, transaction, or occurrence relating in any
11 way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes
12 the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C.
13 § 9613(f)(2)-(3), to pursue any such persons to obtain additional relief (including response
14 action, response costs, and natural resource damages) and to enter into settlements that give rise
15 to contribution protection pursuant to Section 113(f)(2). Nor does this Consent Decree diminish
16 the right of the State of Washington to pursue any such persons to obtain additional relief under
17 RCW 70A.305.

18
19
20 19. The Parties agree, and by entering this Consent Decree this Court finds, that this
21 settlement constitutes a judicially approved settlement for purposes of Section 113(f)(2), and that
22 Defendants are entitled, as of the effective date of this Consent Decree, to protection from
23 contribution actions or claims as provided by CERCLA Section 113(f)(2), 42 U.S.C.
24 § 9613(f)(2), and RCW 70A.305.040(4)(d), or as may be otherwise provided by law, for Covered
25 Natural Resource Damages; provided, however, that if the Plaintiffs exercise their rights under
26 the reservations in Section IX, other than in Paragraphs 14(f) (criminal liability), the contribution
27
28

1 protection afforded by this Consent Decree will no longer include those matters that are within
2 the scope of the exercised reservation. The contribution protection afforded by this Consent
3 Decree shall take effect upon receipt of Defendants' payments pursuant to Section VI of this
4 Consent Decree.
5

6 20. Defendants agree that with respect to any suit or claim for contribution brought
7 against a Defendant for matters related to this Consent Decree, the Defendant will notify the
8 persons identified in Section XIII (Notices and Submissions) in writing within 10 days of service
9 of the complaint or claim upon it. In addition, the Defendant shall notify the persons identified
10 in Section XIII (Notices and Submissions) within 10 days of service or receipt of any Motion for
11 Summary Judgment, and within 10 days of receipt of any order from a court setting a case for
12 trial, for matters related to this Consent Decree.
13
14

15 21. Defendants also agree that they will notify the Trustees in writing no later than 60
16 days before bringing a suit or claim for contribution for Covered Natural Resource Damages.
17 Defendants also will notify the Trustees of any settlement of claims (regardless of whether the
18 claim is filed or unfiled) for contribution for Covered Natural Resource Damages.
19

20 22. In any subsequent administrative or judicial proceeding initiated by the Plaintiffs
21 for injunctive relief, recovery of response costs, or other appropriate relief other than Covered
22 Natural Resource Damages, Defendants shall not assert, nor may they maintain, any defense or
23 claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion,
24 claim-splitting, or other defenses based upon any contention that the claims raised by the
25 Plaintiffs in the subsequent proceeding were or should have been brought in the instant case;
26 provided, however, that nothing in this Paragraph affects the enforceability of the covenants not
27
28

1 to sue set forth in Section VIII.

2
3 23. Beyond the scope of this Consent Decree and settlement of Covered Natural
4 Resource Damages claims, nothing in this Consent Decree constitutes a waiver or a
5 relinquishment of arguments by Owens Corning relating to the discharge of claims under Section
6 1141 of the United States Bankruptcy Code (11 U.S.C. §1141), including but not limited to, the
7 Sixth Amended Joint Plan of Reorganization for Owens Corning and its Affiliated Debtors and
8 Debtors-in- Possession (the “Bankruptcy Plan”) entered in Case No. 00-03837, United States
9 Bankruptcy Court for the District of Delaware, and the Order confirming the Bankruptcy Plan.
10 In any subsequent administrative or judicial proceeding initiated by the Plaintiffs for injunctive
11 relief, recovery of response costs, or other appropriate relief -- other than Covered Natural
12 Resource Damages in this Consent Decree -- Owens Corning expressly reserves the right to seek
13 a determination from the United States Bankruptcy Court for the District of Delaware that the
14 Plaintiffs’ claims were discharged under the Bankruptcy Plan and reserves the ability to exercise
15 its rights under the 2003 Settlement Agreement between Owens Corning and the United States
16 related to Case No. 00-03837, including arguing that claims by United States shall be treated and
17 liquidated as general unsecured claims under the Bankruptcy Plan. Equally, the Plaintiffs reserve
18 all rights in any subsequent proceedings in any forum, including the right to contest any of the
19 above arguments.
20
21
22

23
24 **XII. RETENTION OF RECORDS**

25 24. Until 5 years after the effective date, Defendants shall preserve and retain all non-
26 identical copies of records and documents (including records or documents in electronic form)
27 now in their possession or control or which come into their possession or control that concern
28

1 their or others' liability under CERCLA or MTCA in Port Angeles Harbor. Each of the above
2 record retention requirements shall apply regardless of any corporate retention policy to the
3 contrary.
4

5 25. At the conclusion of this document retention period, Defendants shall notify the
6 Trustees at least 90 days prior to the destruction of any such records or documents, and, upon
7 written request by the Trustees, Defendants shall deliver any such non-privileged records or
8 documents to the Trustees. Defendants may assert that certain documents, records and other
9 information are privileged under the attorney-client privilege or any other privilege recognized
10 by federal law. If Defendants assert such a privilege, they shall provide the Plaintiffs with the
11 following: (1) the title of the document, record, or information; (2) the date of the document,
12 record, or information; (3) the name and title of the author of the document, record, or
13 information; (4) the name and title of each addressee and recipient; (5) a description of the
14 subject of the document, record, or information; and (6) the privilege asserted by Defendants.
15 However, no documents, reports or other information created or generated pursuant to the
16 requirements of the Consent Decree shall be withheld on the grounds that they are privileged.
17
18
19

20 26. Each Defendant hereby certifies individually that, to the best of its knowledge and
21 belief, after a reasonable inquiry that fully complies with the Federal Rules of Civil Procedure, it
22 has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents
23 or other information (other than identical copies) relating to its potential liability regarding the
24 Site since notification of potential liability by any Trustee.
25

26 **XIII. NOTICES AND SUBMISSIONS**

27

28 27. Whenever notice is required to be given or a document is required to be sent by

1 one Party to another under the terms of this Decree, it will be directed to the individuals at the
2 addresses specified below, unless those individuals or their successors give notice of a change to
3 the other Parties in writing. Written notice as specified constitutes complete satisfaction of any
4 written notice requirement of this Consent Decree for Plaintiffs and Defendants,

2
3 32. This Decree shall be lodged with the Court for a period of not less than 30 days
