RE: Site Hazard Assessment – Bow Lake Landfill  
Ecology FS ID: 2103 / CS ID: 57

Dear Ms. Musa:

The purpose of this letter is to transmit the documents listed below in response to your request for information on past waste management activities and other basic site-specific environmental data related to the former Bow Lake Landfill. Upon receiving your letter of April 7, 2015, King County Department of Natural Resources and Parks, Solid Waste Division (SWD) reviewed our files and identified these potentially relevant records:

- Abandoned Landfill Study in King County (April 30, 1985)
- Seattle-King County Abandoned Landfill Toxicity/Hazard Assessment Project, Technical Appendices (December 31, 1986)
- Environmental Site Investigation Report, Bow Lake Processing/Transfer Station (July 9, 2007)
- Phase I & II Environmental Site Assessment, WSDOT Property – I-5 & S 188<sup>th</sup> St (September 11, 2007)
- Final Geotechnical Report, Bow Lake Recycling & Transfer Station (August 28, 2008)
- Environmental Protection Plan (September 4, 2008)
- Waste Clearance Forms, Numbers C0305 (2004), C0331 (2007), C0404 (2010), C0414 (2011), C0419 (2013)

Hopefully these records will be useful in the site hazard assessment being conducted by the Washington State Department of Ecology. If you have any questions, please do not hesitate to contact me at 206-477-4801 or [Jennifer.Keune@kingcounty.gov](mailto:Jennifer.Keune@kingcounty.gov).

Sincerely,

Jennifer L. R. Keune  
Environmental Compliance Coordinator
