Re: NPDES Permit Renewal Application
Permit No. WA0031046

Dear Ms. Berg:

The Washington State Department of Ecology (Ecology) acknowledges receiving a NPDES permit renewal application for Pacific Fishermen Shipyard and Electric LLC on April 25, 2019. The application has been reviewed and accepted as complete on May 6, 2019.

Your current NPDES permit has an expiration date of October 31, 2019. Renewal of your permit is in process; however, the permit may not be issued by the expiration date. If your new permit is not issued and effective by the current permit's expiration date, then the current permit and its terms and conditions are administratively extended and will remain in effect and enforceable until Ecology issues a new permit and it becomes effective for your facility, in accordance with the Washington State Administrative Procedures Act (RCW 34.05.422(3)) and Washington Administrative Code 173-220-180(5).

If you have any questions regarding the application or the development of your renewal permit, please contact Robert Nolan at (425) 649-7197 or Email at rnol461@ecy.wa.gov.

Sincerely,

Tricia Miller
