Dear Mr. Wollman:

RE: New State Permit Application - Permit No. ST-0045509

Thank you for submitting an application for a new water quality permit. We received the completed application on August 10, 2011 and will now begin the application review process.

However, before we can begin the next phase, we need to collect a permit application fee. The fee to complete the processing of your permit is **\$250.00**. After you receive a final permit, your annual operating fee will be calculated.

Please visit our permit fee website at [http://www.ecy.wa.gov/programs/wq/permits/permit\\_fees/index.htm](http://www.ecy.wa.gov/programs/wq/permits/permit_fees/index.htm) or contact Bev Poston at (360) 407-6425 if you have questions about these fees. A pre-addressed envelope and a fee remittance form are enclosed for your convenience in paying the application fee.

Once we receive your application fee, we will publish a legal notice in a newspaper of record which requires a 30 day comment period, if no are received, we will issue you a temporary permit which will allow you to discharge while we draft a final permit. As we draft the permit, we will likely contact you with questions and may request a visit to your site.

Please contact Mike Hepp (Facility Manager) at (509) 329-3536 or by email at [mhep461@ecy.wa.gov](mailto:mhep461@ecy.wa.gov) if you have any questions about our review of the application or the permitting process.

Sincerely,

Shara Trantum
