**Re: New National Pollutant Discharge Elimination System (NPDES) Permit
Applications for:**

**Rock Island Dam, Permit No. WA0991032
Rocky Reach Dam, Permit No. WA0991033**

Dear Stephen Wright:

Thank you for submitting applications for new NPDES Discharge Permits for Rock Island Dam and Rocky Reach Dam.

Before Ecology can begin the next phase of the permit process, we need to collect permit application fees. Enclosed are application fee invoices for Rock Island Dam and Rocky Reach Dam. If you have questions about these fees, please visit our permit fee website at: [Water Quality Permit Fees at https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Fees](https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Fees) . If you have fee related questions, please contact our Fee Unit at wqfee_unit@ecy.wa.gov or by phone at 800-633-6193.

If you would like to pay by EcoPay, please contact our Fee Unit. It will take up to five days for them to set this up.

Once the application fees are received, Ecology will begin writing draft permits for your review. We anticipate to begin developing your permits immediately. If you have any questions about the permitting process, please contact me at cynthia.huwe@ecy.wa.gov or by phone at 509/379-3723.

Sincerely,
