RE: Draft National Pollutant Discharge Elimination System Permit and Public Notice for  
WA0045586 – Lehigh Cement Company

Dear Gregory Ronczka:

Enclosed is Ecology's draft National Pollutant Discharge Elimination System permit and fact sheet. Please review these documents to insure that you understand and agree with all conditions.

Also enclosed is a copy of the public notice of draft permit describing your wastewater treatment discharge. The Department of Ecology will publish this notice in the "Legal Classified Section" of the Newport Miner on June 16, 2021.

Permit documents are available on [PARIS](https://apps.ecology.wa.gov/paris/), Ecology's Water Quality Permitting and Reporting Information System webpage at <https://apps.ecology.wa.gov/paris/PermitLookup.aspx>. You can also find a more detailed explanation in the attached fact sheet.

The comment period ends **July 16, 2021**; submit comments no later than that date. Ecology will review and respond to comments received during the 30-day public review period and will issue the final permit after addressing all comments. Please contact Diana Washington at (509) 385-5529 or by email at [dwas461@ecy.wa.gov](mailto:dwas461@ecy.wa.gov) if you have questions or need assistance.

Sincerely,

Shara Joy  
Water Quality Program
