**Re: New State Waste Discharge Application Permit No. ST0501334
EAT02, EAT03, EAT04 Data Center**

Dear Adam McKnight:

Thank you for submitting an application for a new State Waste Discharge Permit. The Department of Ecology (Ecology) acknowledges receiving the application on February 25, 2021. Dave Matthews has been assigned to review and approve your application.

Before Ecology can begin the final review and approval of the application, we need to collect a permit application fee. Enclosed is an application fee invoice. If you have questions about these fees, please visit our permit fee website at: [Water Quality Permit Fees at https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Fees](https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Fees). If you have fee related questions, please contact our Fee Unit at wqfee_unit@ecy.wa.gov or by phone at 800-633-6193.

Once Ecology receives the application fee and Section J (page 19) of the application, signed by Douglas County Sewer District, we will complete the application review. If you would like to pay by EcoPay, please contact our Fee Unit. It will take up to five days for them to set this up.

If you have any questions about our review of the application or the permitting process, please contact me at cynthia.huwe@ecy.wa.gov or by phone at 509-457-7105.

Sincerely,

A handwritten signature in cursive script that reads "Cindy Huwe".
