Good Morning Debra,

I think any VP or above can sign, the key qualifier is management of some sort. Once it is signed, you can email it to me rather than send a hard copy into the office and I will expedite getting it processed for you. To answer your second point, you will need to have the ESAF process be complete to submit DMR's – but I think we can get you there before the DMR's are due.

- Caleb

**THIS EMAIL ORIGINATED FROM OUTSIDE THE WASHINGTON STATE EMAIL SYSTEM - Take caution not to open attachments or links unless you know the sender AND were expecting the attachment or the link**

Good morning Cynthia & Caleb,

I will be taking over environmental reporting responsibilities for all Ste. Michelle Wine Estates properties as shown below.

Ste Michelle Wine Estates 14 Hands Winery	ST0009148
Ste Michelle Wine Estates Grandview	ST0009229
Ste Michelle Wine Estates Canoe Ridge	ST0009275
Ste Michelle Wine Estates Columbia Crest Winery	ST0009276

I tried reaching you both by phone last week, and thought I'd shoot over an email instead. Our DMR's are due in a few days and my ESAF has been completed on line, but I am awaiting signatures from our senior leader on the hard copy to send back.

We have a dilemma, as Jessica Myer sent notification to you earlier this year letting your know Stuart McNab(Chief Supply Officer), was now our LRP, but Stuart is away on vacation out of the county and not available to provide a hard copy signature for the ESAF.

My questions:

- 1. Does it have to be Stuart, our designated LRP, that signs the ESAF, or can any VP or above sign?**
- 2. If it must be Stuart, how would you suggest we submit our reports due 9/15?**
  - a. May I submit under my account with hard copy ESAF in process?

Thanks in advance your assistance!

Thank you,  
Debi Emery

I found your name in her files and am hoping you can point me in the right direction. Our LRP, Chief Supply Officer, Stuart McNab, will be forwarding a Letter of Delegation so that Kyle or I may submit all required reports. Can you confirm the address this letter should be sent? We have the format from 2013 when Jessica took over, but if there have been any changes to the wording of the required letter, it would be helpful to send that as well.

I look forward to working with you; please feel free to contact me at any time via phone or email below.

Thanks,  
Debi Emery
