RE: Application for Renewal of State Wastewater Discharge Permit ST0005397

Dear Jerrad Jeske:

State Waste Discharge permit ST0005397 is due to expire on February 28, 2023 and requires an application for its renewal. To allow Ecology sufficient time to develop the School District's permit, a completed application must be received by our office **on or before February 28, 2022**. It is Ecology's policy to send a permit renewal application form as a reminder to help insure a timely submittal.

### Completing the Application

Please complete the enclosed application **form ECY 040-178** or an [electronic version](#) of the form is available on **Ecology's Water Quality Individual Permit** website at <https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Water-Quality-individual-permits#forms>.

Please complete the sections marked below as well as any additional sections that may apply if there have been significant changes to the facility or the character of the wastewater have changed. Please submit any additional information that may help Ecology determine the impact of your discharge to groundwater.

**Please complete all of Section A of the permit application and those sections checked below.**

- All of Section B. Treatment Plant Information or the following subsections only:
- 1. Industries and large commercial facilities discharging to this treatment facility
  - 2. Design and operation Manuals
  - 3. Plant design data
  - 4. Plans to modify facility
  - 5. Schematic drawing of the treatment facility
  - 6. Type and number of unit processes
