Re: WSU State Waste Discharge Permit No. ST-5362  
Toxic Waste Discharges Annual Update to City of Pullman POTW

Dear Ecology:

Per Special Conditions S11. Annual Update of Toxic Waste Discharges to City Pullman POTW, this letter confirms that the WSU controls the discharge of toxic substances, and sends the City of Pullman electronic DMRs.

I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system or those persons directly responsible for gathering information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

If you have any questions, please contact me at 509-335-3041.

Sincerely,

Gene Patterson  
Water Quality Manager
