Re: **WARNING LETTER:** State Waste Discharge Permit Number ST-7316, Artisan Finishing Systems, Inc.

Mr. Wallace V. Thomas  
Artisan Finishing Systems, Inc.  
14219 Smokey Point Boulevard #6  
Marysville, WA 98271-8906

Dear Mr. Thomas:

Your facility was out of compliance with the following reporting conditions in your State Waste Discharge Permit as listed below:

- The Department of Ecology received your May discharge monitoring report (DMR) on 7/15/2013, but it was due by 6/15/2013.
- The Department of Ecology received your June DMR on 7/25/2013, but it was due by 7/15/2013.

The DMR is the principal tool used to evaluate compliance with permit requirements. The Department of Ecology places great importance on timely submittal of complete and accurate DMRs. Failure to comply with the conditions of your permit could result in Ecology taking formal administrative enforcement action, including issuing orders and penalties.

Sincerely,

Doug Knutson  
Water Quality Permit Manager
