Re: New Signature Authorization for BBWSD WWTP - WA 0029556

Mr. Hood,

This letter is to inform you that the Birch Bay Water & Sewer District is submitting a signature authorization change request for our Discharge Monitoring Report and other related official Department of Ecology documents associated with the District's Wastewater Treatment Plant and collection system, effective July 15th, 2023.

Michael Sowers will be leaving the District and will no longer be the signing official. Shane Hess will be responsible for day-to-day operation, DMRs and related reports & submittals for the District's WWTP. Shane Hess currently has a WWTPO III certification, certification # 8637.

I am attesting that I am Dan Eisses, BBWSD General Manager, and that I am the responsible official identified in the WAC and the Statewide General Permit for Biosolids Management. I understand that I am responsible for all matters of compliance for the permits at the BBWSD WWTP.

By this letter and my signature, I am delegating authority to Shane Hess, Wastewater Plant Supervisor, to sign and submit the WWTP DMRs and the annual state biosolids reports and other information required in the appropriate section of the permits and DMRs.
