RE: Discharge Monitoring Report Change for State Waste Discharge Permit ST0005398 –  
Basin City Mobile Home Park (MHP)

Dear Jon Fox:

Special Condition S3 of your State Waste Discharge permit requires you to submit a copy of the laboratory report as an attachment to your discharge monitoring report (DMR) when an outside laboratory performs the analysis for your facility's samples. Since Please include paper copies of laboratory reports with your facility's DMR submittals, starting with the next DMR that is due. If utilized, contract laboratory reports must include information on chain of custody, QA/QC results, and documentation of accreditation for the parameter.

Please contact Shara Joy, Basin City MHP's, Permit Manager, at (509) 319-4759 if you have questions about providing laboratory reporting.

Sincerely,
