Importance: High

I'm very sorry but I have checked with layout and they said the pages have been pulled and done for 10/17. Our next publication date would be 10/19.

Please note that deadlines are final and not submission deadlines.

There may be instances when we have a Rep out of the office for an emergency, if the customers send the notices the day of our deadline and/or an hour or two prior to our deadlines, the notice may not get in right away. We always recommend sending earlier than the day of deadline.

I'm very sorry for any problems this causes.

Please let us know if the 19<sup>th</sup> will work. We deadline for the 19<sup>th</sup> on Monday.

Thank you,

Nicole Muscari
