Marcia Porter, Permit Manager  
Water Quality Program, Central Region  
Washington Department of Ecology

**RE: Operations and maintenance manual review for 2023, Goldendale Generating Station,  
Permit Number – ST0009236**

---

Please note the Goldendale Generating Station Operation and Maintenance Manuals for Waste Water at this facility have been reviewed and no changes or updates were made in 2023.

Please contact me if you have any questions or need further information.

Thank you,

A handwritten signature in blue ink that reads 'Gerald Klug'.
