RE: Cross Connection Control Annual Report Confirmation Letter

Dear Ms. Joy,

This notification is provided to you in accordance with Condition S3.L of Washington State Waste Discharge Permit Number ST-0501273. The annual backflow prevention testing of backflow assemblies at SGL Composites LLC was successfully conducted on August 14, 2023, by Mr. Martin Hawk (BAT#B4834). The backflow prevention test reports were provided to the City of Moses Lake as required.

There have been no new recycled uses of reverse osmosis reject water.

Please let us know if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "G. Pincelli", with a stylized flourish at the end.

Gregory Pincelli, PE  
Environmental Engineer
