(a) Due to the coronavirus pandemic and the Governor's Stay at Home Stay Healthy Proclamation, Brightwater Center has been closed since late March 2020.

(b) Reclaimed water used for irrigation was distributed over 5 days at the Influent Pump Station (IPS) but no reclaimed water was distributed to the customer sites due to failure of the conveyance line at the York Pump Station. The pipe failure incident was reported to DOE (ERTS#723614).
