Re: State Waste Discharge Permit Renewal Application  
Permit No. ST0007377; Ocean Beauty Seafoods LLC

Dear Max Kenagy:

Your application for a State Waste Discharge (SWD) permit renewal was received by this office on March 29, 2024. The application has been reviewed and was accepted as complete on April 1, 2024.

Your current SWD permit has an expiration date of May 31, 2024. Renewal of the permit is in process; however, the permit may not be issued by the expiration date. In accordance with the Washington State Administrative Procedures Act [RCW 34.05.422\(3\)](#) and Washington Administrative Code WAC [173-216-070](#), if your renewal permit is not issued and effective by the current permit's expiration date, the current permit and its terms and conditions and any changes requested in the permit application, will remain in effect and enforceable until Ecology issues a new permit for your facility.

If you have any questions regarding the development of your renewal permit, please contact Maia Hoffman at (425) 507-5681 or by email at [maia.hoffman@ecy.wa.gov](mailto:maia.hoffman@ecy.wa.gov).

Sincerely,

Tricia Miller
