Attention WQ Sand & Gravel Permit Manager

Sand and Gravel General Permit Portable Completion of Operations Notice Form - Site Restoration

Peak Sand and Gravel, Inc., has completed the crushing work contracted to us by Central Washington Asphalt at the Road 9 Pit, located at approx. 7950 Road 9 NW, just west of Road H NW, near Ephrata, WA. We operated at this location under permit number WAG-500060.

In reference to Site Restoration, the CWA Road 9 facility is an ongoing commercial source currently being operated by Central Washington Asphalt. Any land disturbance that occurs or has occurred at the site and required reclamation of the disturbance would be the responsibility of Central Washington Asphalt.

Thank you for your consideration in regards to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Rusho", is positioned above the printed name.

Scott Rusho
