**RE: Renewal of State Waste Discharge Temporary Permit No. ST0501326 for
Wild Flavors – AM Todd; User Agreement Request**

Dear Richard Nichols:

Thank you for allowing your staff to meet with myself and Keith Primm on Thursday, November, 14, 2024. Ecology requests that Wild Flavors – AM Todd (facility) obtain an updated User Agreement from the City of Goldendale, to be submitted as an appendix to the completed permit renewal application, accepted as complete on June 4, 2024.

In order to maintain completed application status, Wild Flavors – AM Todd must provide any additional information Ecology may request in a timely manner. Ecology requests the User Agreement be emailed to crowqpermits@ecy.wa.gov by **January 20, 2025**. The permit writer currently assigned to write your permit is Stephanie Giesin.

In accordance with Chapter 90.48 of the Revised Code of Washington (RCW), your existing temporary permit and the terms and conditions thereof remain in effect until further notice. You are required to comply with all water pollution law and regulations.

If you have any questions regarding this letter, please contact me at (509) 379-3967 or by email at crowqpermits@ecy.wa.gov.

Sincerely,

Joy Espinoza (signed electronically) 11/19/2024
