

Southwest Region Office
Water Quality Program

Recommendation to Approve the Industrial Wastewater Operations and Maintenance Manual

TO: Andrew Kolosseus, Southwest Region Section Manager

FROM: Anna Rose Wallace, PhD., Industrial Permit Manager and
John Diamant, P.E., Industrial Operations Unit Supervisor

THROUGH: John Y. Diamant, P.E., Industrial Operations Unit Supervisor

DATE: January 15, 2025

The following Engineering Report documents were submitted to the Department of Ecology for review and approval as required by Chapter 173-240 of the Washington Administrative Code:

OPERATOR: Kert Brown, Simpson Door Co.
PREPARED BY: Terraphase Engineering Inc.

Document	Received Date
Industrial Wastewater Operations and Maintenance Manual	September 9, 2024 (electronically)

As a licensed engineer in the State of Washington, I reviewed the Engineering Report against the following review standards:

To be approved, an O&M Manual must follow the requirements detailed in WAC 173-240-150.

Detailed findings, comments, or questions, if any, are attached to this memo. I hereby recommend the following disposition:

RECOMMENDATION: [Approve]

Signature of Review Engineer
