RE: City of Yakima Publicly Owned Treatment Works National Pollutant Discharge Elimination System (NPDES) Waste Discharge Permit No. WA0024023.

Mr. Miller:

This letter requests that the employees in the following positions at the Yakima Wastewater Treatment Plant be considered "duly authorized representatives" consistent with the requirements of WAC 173-308-310 and Section G1 of NPDES Permit No. WA-0024023.

- Wastewater Manager (Mike Price)
- Wastewater Process Control Supervisor (Raymond Scott)
- Wastewater Laboratory Coordinator (Jennifer Cleary)
- Chief Operator (Brady Linden)
- Pretreatment Supervisor (Jaime Thompson)

The employees in these specific positions will have the authority to sign discharge monitoring reports, submittals, and all other reports as may be required by the Department of Ecology per our NPDES permit.

Thank you for consideration of this matter.

Sincerely,

**Patricia Byers
Mayor**
