**RE: Administrative Extension for Coverage under the General Permit for the Fresh Fruit Packing Industry, Effective July 2, 2014**

Dear Permittee:

The Fresh Fruit Packing Industry General Permit expires July 1, 2014. The Department of Ecology is extending the general permit expiration date to December 31, 2014. The Fresh Fruit Packing General Permit will be reissued in December 2014 with an effective date of January 1, 2015.

Thank you for submitting your application for coverage. It has been reviewed and accepted as complete. You have fulfilled General Condition G10., Duty to Reapply, under the 2009 Fresh Fruit Packing General Permit. Your facility will continue to have permit coverage under the general permit that was issued in 2009.

In accordance with Chapter 90.48 of the Revised Code of Washington (RCW), your existing permit and the terms and conditions thereof remain in effect until reissuance of the general permit. You are also required to comply with all water pollution laws and regulations.

If you have any questions or need assistance, please feel free to contact Sanjay Barik at 509/454-4247.

Sincerely,

A handwritten signature in blue ink that reads "Charles McKinney".
