RE: New State Permit Application - Permit No. ST0501285 – Ancient Lake Wine Company

Dear Mr. Milbrandt:

Thank you for submitting a State Waste Discharge Permit application for Ancient Lake Wine Company. Ecology received the application on August 4, 2014 and will begin the application review and acceptance process.

However, before Ecology can begin the application process and begin drafting the permit, we are required to collect a one-time permit application fee for new dischargers. The fee to complete the processing of your permit application is **\$1,496.75**. After you receive a final permit, your annual permit fee will be **\$5,987.00**. The permit fee system funds Ecology's permit program based on expenses incurred for the issuance and comprehensive administration of the permits.

Please visit our permit fee website at http://www.ecy.wa.gov/programs/wq/permits/permit_fees/index.html or contact Bev Poston at (360) 407-6425 if you have questions about permit fees. A FEE REMITTANCE FORM is enclosed for your convenience in paying the application fee.

Once we receive your application fee, we will publish a legal notice in the local newspaper of record that announces your application and required 30 day comment period. As Ecology drafts the permit, your facility manager may contact you with questions or request a visit to your facility.

Please contact Megan Rounds (Facility Manager) at (509) 329-3458 or by email at mrrou461@ecy.wa.gov if you have any questions about our review of the application or the permitting process.

Sincerely,

Shara Joy
