RE: Ancient Lake Winery Wastewater Treatment Plant
Approval of Plans and Specifications dated June 30, 2014

Dear Mr. and Mrs. Milbrandt:

The Department of Ecology (Ecology) APPROVES the plans and specifications dated June 30, 2014. This approval is in accordance with RCW 90.48.110 and Chapter 173-240 WAC.

Ancient Lake Winery (ALW) must notify this office immediately of any proposed changes or revisions to the approved documents. ALW must provide changes or revisions in the form of addenda, technical appendices, or supplemental reports to the original approved package of documents to Ecology for review and approval. Additionally, ALW must maintain copies of the approved engineering report, plans and specifications, operations and maintenance manual, permit, and Discharge Monitoring Reports (DMRs) on-site at your facility in George, Washington.

Ecology's review and approval of these documents only assures compliance and consistency with the appropriate rules, regulations, guidelines, planning and design criteria, terms of any loan agreement, and/or other similar documents and is not a quality control check. ALW should not consider this approval as satisfying other applicable federal, state or local statutes, ordinances or regulations.

Please contact Megan M Rounds, P.E. at (509) 329-3458 if you have any questions or need additional information.

Sincerely,

James M. Bellatty
Section Manager
Water Quality Program
