**REMINDER: Reapply for the Construction Stormwater General Permit**

Dear Brent Scully:

On April 1, 2015, Ecology mailed a letter reminding all Construction Stormwater General Permit (CSWGP) holders that it is time to reapply. The deadline of July 3, 2015 has passed. You are receiving this letter because our records show you have either not reapplied, or you have not completed the reapplication process. An instruction page for the online application process is enclosed for your convenience.

If you plan to terminate your permit, or have already submitted a Notice of Termination (NOT), please be aware that terminations are subject to Ecology approval and must meet Special Condition S10 in the CSWGP.

Please visit the CSWGP webpage for more information:  
<http://www.ecy.wa.gov/programs/wq/stormwater/construction/index.html>.

If you have CSWGP questions, please contact Amy Moon at [amy.moon@ecy.wa.gov](mailto:amy.moon@ecy.wa.gov) or (360) 407-6467. Please direct online application questions to [WQWebPortal@ecy.wa.gov](mailto:WQWebPortal@ecy.wa.gov), or (800) 633-6193/option 3, or (360) 407-7097 (Olympia Area).

Sincerely,

A handwritten signature in black ink that reads "Bill Moore". The signature is written in a cursive, flowing style.

Bill Moore, P.E., Manager  
Program Development Services Section  
Water Quality Program
