RE: Town of Rockford – Permit No. WA0044831  
Approvals for the Lagoon No. 3 Liner Replacement Project

Dear Mayor Roecks:

The Department of Ecology (Ecology) has reviewed and APPROVES the Town of Rockford's Lagoon No. 3 Liner Replacement Project plans and specifications and Addendum No. 1, dated February 2016. This approval is in accordance with RCW 90.48.110 and Chapter 173-240 WAC.

The Town of Rockford (Rockford) must notify this office immediately of any proposed changes or revisions to the approved documents. Rockford must provide changes or revisions in the form of addenda, technical appendices, or supplemental reports to the original approved package of documents to Ecology for review and approval. Additionally, Rockford must maintain copies of the approved engineering report, plans and specifications, operations and maintenance manual, permit, and Discharge Monitoring Reports (DMRs) onsite at your facility.

Ecology's review and approval of these documents only assure compliance and consistency with the appropriate rules, regulations, guidelines, planning and design criteria, terms of any loan agreement, and/or other similar documents and is not a quality control check. The Town of Rockford should not consider these approvals as satisfying other applicable federal, state or local statutes, ordinances or regulations.

Please contact Cynthia Wall at (509) 329-3537 if you have any questions about these approvals.

Sincerely,

James M. Bellatty
