COMMENTS:

Dear Sir/ Madam,

It has come to our attention that our Notice of Intent application for renewal of the site's Industrial Stormwater General Permit, submitted to the DOE in July 2014, had the incorrect area for the size of the site. The site area should be 15 acres, not 8.7 acres as stated in this 2014 form. Attached is a signed application to modify the permit coverage area to 15 acres.

Please contact Gary Jones, the Owner/ Permittee, or me if you have any questions.

Thank you for your assistance.
