Dr. Lee Mellish
Liberty Lake Sewer District
22510 E. Mission Avenue
Liberty Lake, WA 99019

Dear Dr. Mellish:

Re: Extension of National Pollutant Discharge Elimination System (NPDES) Permit
No. WA 004514-4 - Liberty Lake Sewer District

Your National Pollutant Discharge Elimination System (NPDES) Permit No. WA-00451-4, expired on June 30, 2002. Your application for renewal was received December 24, 2001. Renewal of your permit is in process; however, the renewal permit could not be issued by the expiration date.

In accordance with the Washington State Administrative Procedures Act, RCW 34.05.422 (3), your permit and the terms and conditions thereof remain in force until the effective date of a new permit. It has been determined that adequate information has been submitted for the permit renewal. You will be notified when the draft permit has been completed.

Sincerely,

Donald G. Nichols
Acting Section Manager
Water Quality Section
