RE: Minor Revision of NPDES Permit No. WA0024341 for the City of Ellensburg POTW

Dear Mr. Bollinger:

Enclosed is a replacement permit for National Pollutant Discharge Elimination System (NPDES) Waste Discharge Permit No. WA0024341. The revisions include the following:

- *Page 5 - change the submittal due dates in the Summary of Permit Report Submittal table for S8.B.10., S9.B.10 and S11.A. to February 28, 2015.*
- *Page 25 - S8.A.1. change the acute toxicity testing on final effluent date to summer and winter of 2014.*
- *Page 26 - change Acute Toxicity Summary Report submittal date to February 28, 2015.*
- *Page 26 - S9.A.1. change the chronic toxicity testing on final effluent date to summer and winter of 2014.*
- *Page 28 - change Chronic Toxicity Summary Report submittal date to February 28, 2015.*
- *Page 29 - S11.A. change sampling time to winter of 2014 and report submittal date to February 28, 2015.*

The changes do not affect the stringency of the permit and therefore does not require public notice. Please have your staff replace the original permit with the revised permit. The revised pages are clearly marked at the bottom "**THIS PAGE REVISED APRIL 17, 2013**".

Should you or your staff have any questions, please contact Ian Laseke at 509/457-7108.

Sincerely,

Charles McKinney
Section Manager
Water Quality Program
