RE: Notice of Administrative Extension for State Waste Discharge Permit No. ST0009275 for Ste Michelle – Canoe Ridge, Effective September 13, 2015

Dear Mr. Warram:

Thank you for your application for renewal of State Waste Discharge Permit No. ST0009275 on January 15, 2015. It was reviewed and accepted as complete on September 3, 2015. Because of workload and staffing issues, the Department of Ecology is unable to reissue your permit prior to expiration.

Your administratively extended permit becomes effective **September 13, 2015**, the day following expiration of your existing permit. It will remain in force for up to five years or until further notice by the Department, whichever occurs first. **That means your facility must continue to comply with the terms and conditions of the previous permit, issued on October 7, 2010.**

If you have any questions or need assistance, please feel free to contact Jim Leier, your permit manager at 509/457-7124.

Sincerely,

For Charles McKinney
