Renee Sinclair, Director of Budget Accounting Published September 27, 2016 SVH-1522883 NOTICE: ANNOUNCEMENT OF AVAILABILITY OF DRAFT WASTEWATER PERMIT Permit No.: WAO024074 Facility: City of Mount Vernon Wastewater Treatment Plant 1401 Britt Road Mount Vernon, Skagit County The City of Mount Vernon has reapplied for a National Pollutant Discharge Elimination System (NPDES) permit in accordance with the provisions of Chapter 90.48 Revised Code of Washington (RCW), Chapter 173-220 Washington Administrative Code (WAC), and the Federal Clean Water Act. The City of Mount Vernon Wastewater Treatment Plant currently operates an activated sludge secondary treatment plant designed to handle a maximum monthly flow of 15 MGD. The wastewater, following treatment, must meet the requirements of the Washington State Water Pollution Control Act and applicable regulations for a permit to be issued. Following evaluation of the application and other available information, a draft permit has been developed which would allow the discharge of treated domestic wastewater into the Skagit River. A tentative determination has been made on the effluent limitations and special permit conditions that will prevent and control pollution. A final determination will not be made until all timely comments received in response to this notice have been evaluated. PUBLIC COMMENT AND INFORMATION The draft permit and fact sheet may be viewed at the Department of Ecology website: <https://fortress.wa.gov/ecy/wareports/public/npa-publications/304/draft-304>. The application, fact sheet, proposed permit, and other related documents are also available at the Department's Northwest Regional Office for inspection and copying between the hours of 8:00 am and 4:30 pm weekdays. ## SEEKING COVERAGE UNDER THE WASHINGTON STATE DEPARTMENT OF ECOLOGY'S CONSTRUCTION STORMWATER NPDES AND STATE WASTE DISCHARGE GENERAL PERMIT

HANSELL MITZEL LLC, DAN MITZEL, 1111 Cleveland Ave Ste 201 Mount Vernon, WA 98273, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit. The proposed project, Highland Greens, Division I Phase B, is located at Loch Ness Loop, west and south of N 30th Street, and east of Francis Road, Skagit County.

This project involves 11.13 acres of soil disturbance for residential construction activities. The receiving waterbodies are the public Mount Vernon stormwater system, and Barney Lake. Any persons desiring to present their views to the Washington State Department of Ecology regarding this application, or interested in Ecology's action on this application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.

Comments can be submitted to:

Size up your relationships with others and consider how you can make positive improvements. Spirituality will be an important factor when dealing with both personal and professional partnerships. Keeping the peace is commendable, but not emotionally healthy. Break up and level the playing field in order to gain respect.

**LIBRA (Sept. 23-Oct. 23)** - Until the time is right, don't divulge information that can help you control a situation. Getting angry and overreacting will not encourage others to support your place. Observe and learn.

**SCORPIO (Oct. 24-Nov. 22)** - Personal improvements will boost your confidence. Whether you change your lifestyle or your physical appearance, it will give you the push you need to excel in all aspects of life.

**SAGITTARIUS (Nov. 23-Dec. 21)** - Don't let still when there is so much you can accomplish. Prepare to take action and practice your goals. A business trip or meeting will pay off.

**CAPRICORN (Dec. 22-Jan. 19)** - Don't mess with the rules or regulations, especially while waiting or dealing with institutions or government agencies. Stick to what you know, and don't assume anything. Avoid indulgent temptations.

**AQUARIUS (Jan. 20-Feb. 19)** - Share your concerns and find out where you stand. Refuse to let anyone pressure you into something that doesn't interest you. Avoid dwelling to something you know little about.

**PISCES (Feb. 20-March 20)** - A former co-worker will have a setback to a problem you are facing with an authoritative individual. Plan your actions carefully before you make your move.

**ARIES (March 21-April 19)** - Take the plunge and do something you've been thinking about for some time. Set a reasonable goal. Success will lead to opportunity, but short-sightedness will hold you back.

**Taurus (April 20-May 20)** - Get involved in the game of life. Attend events that will bring you in contact with people from different backgrounds. Romance is encouraged and will improve your personal life.

**GEMINI (May 21-June 20)** - Stick close to home and the people you can trust. An older relative or a youngster in your life may cause you grief. Do not give into pressure. Do what's best for you and your family.

**CANCER (June 21-July 22)** - You should mix business with pleasure in order to improve an individual person. Networking and finding unique ways to improve your skills and other attributes will position you for advancement.

**LEO (July 23-Aug. 23)** - Get together with people you can learn from, and share ideas. Endeavor to build confidence among your peers. A carefully executed plan will lead to unexpected and welcome rewards.

**VIRO (Aug. 24-Sept. 23)** - Take care of minor details when dealing with institutions, government agencies or authority figures. Do what needs to be done and plan to celebrate your victory with a loved one.
